

**July 12, 2012 – 5.00 pm**

**CNR NANO NEST, Pisa**

**Paolo Carloni**

**Laboratory Computational Biophysics,  
German Research School for Simulation Sciences, 52425 Jülich**

**“Molecular Simulation of  
Proteins Undergoing Fibril  
Formation in  
Neurodegeneration”**

**The seminar will be transmitted by videoconference to all NANO Centers.**
