

Printed Electronics Italy 2014

October, 15th 2014
Centro Congressi Hotel Raffaello
Viale Certosa 108 - Milano

Program

H. 11.45 - 12.30 Sala A

9.00 - 10.30 - Registration & networking coffee (free participation upon registration on site)

10.30 - 11.00 - On. Roberto Mura (President of the Industry Commission of the Italian Senate), Ing. Armando Zecchi (Conference Organizer, Tecnoservizi Srl), Dr. Alessandro Fraleoni Morgera (Conference Chair, Univ. of Trieste) - **Welcome address**

11.00 - 11.45 - Keynote - Dr. Cristina Bertoni (Electrolux Italia, Pordenone)
Use of Printed Electronics in large volumes industrial products

11.45 - 12.15 - Dr. Zhenyuan Xia (ISOF-CNR Bologna)
Electrochemically Exfoliated Graphene: a promising candidate for flexible electrodes

12.15 - 12.45 - Ms. Stephanie Scattareggia (FujiFilm Dimatix, USA)
Inkjet in Production for Functional Printing Applications

12.45 - 13.15 - Tecnoservizi Srl & Free Service Srl - **Joint Press Conference** (in italian)
Presentazione di Printed Electronics Italy 2015 - Piacenza EXPO

H. 12.50 - 14.00 - Lunch

14.00- 14.30 - Dr. Piero Cosseddu (Dip.to di Ingegneria, Univ. di Cagliari)
Printed organic transistors

14.30-15.00 - Dr. Stan Farnsworth (Novacentrix, USA)
Printing Machines Technologies for Printed Electronics

15.00-15.30 - Dr. Alessandro Fraleoni Morgera (Dip.to di Ingegneria e Architettura, Univ. di Trieste)
Organic nanostructures for sensing applications

15.30-16.00 - **Coffe break**

16.00 - 16.30 - Dr. Laura Basiricò (Dip.to di Fisica, Univ. di Bologna)
Organic semiconducting crystals for X-rays detection

16.30 - 17.00 - Ing. Francesco Frabasile (Tecnoservizi Srl, Milano)
Photovoltaics and printed electronics: a fruitful marriage

17.30 - 17.50 - Ing. Armando Zecchi (Conference Organizer, Tecnoservizi Srl), Dr. Alessandro Fraleoni Morgera (Conference Chair, Univ. of Trieste)
Closing remarks
