Biosynth Carbosynth Group Products are explicitly not intended to be used in foods and/or cosmetics and/or drugs (human and veterinary) and/or consumer products and/or biocides and/or pesticides of any kind unless explicitly stated otherwise. If your intended use fits into any of the above, please notify us so we can confirm suitability. Please note that as of July 1, 2021, certificates of analysis and product specifications are available for viewing and download from our website (www.carbosynth.com).

The recipient undertakes to register the profit and income tax and to register with Intrastat. Evidence of delivery must be provided (documentation is essential for the customs authorities). This shipment is taxfree, according to Paragraph 6a UstG.

With kind regards
Biosynth s.r.o.
